Evaluation Report of Academic Records from Australia Ref. No: C00-55-12AS

Name: Paul Arthur GEARON

Purpose of Evaluation: Immigration

Date: December 16, 2005

To: ZULKIE PARTNERS, LLC

1. Bachelor of Engineering, awarded in 1995 (re-issued in 2005) by the University of Queensland, following a program in computer systems engineering. Admission to this program requires high school graduation (Australian Year 12 or equivalent). The degrees are, in level and intent, the academic equivalent of a bachelor's degree in computer systems engineering from a regionally accredited institution in the United States.

2. This is an evaluation of academic credentials. Only authorities in the profession can determine whether the engineering degree is a qualification equivalent to a degree in engineering earned in professionally accredited programs and if it meets the standards and requirements for licensing in the United States. Evaluation Service, Inc., does not assess professional experience outside of formal academic training.

3. SUMMARY: It is the judgment of Evaluation Service, Inc., that Paul Arthur GEARON has the academic equivalent of a bachelor's degree in computer systems engineering from a regionally accredited institution in the United States.
